

Kids R Kids is a peanut free school. We love to celebrate all the children's birthdays; however, we must be very cautious as to what can be brought into our school. Please make sure that all items that are brought into our school are peanut free. All items must have a label of ingredients. Please check the ingredient's label to make sure that there are no peanuts as well as the item is not **processed on machinery that processes any nut**. Management must check all items that come into the school. Below is a list a few items that we know are safe.

- ❖ Oreos
- ❖ Fruit Freezer Pops
- ❖ Cheetos
- ❖ Pizza
- ❖ Yogurt
- ❖ Fruit Snacks
- ❖ Cheese Sticks
- ❖ Starburst Candy
- ❖ Fruit
